## **Gender Equity Action Plan 2020-21**

- To conduct a webinar session to teach the importance of Fundamental rights of Indian constitution to the students.
- To conduct a webinar program to create awareness and to extend the knowledge on the civil codes of gender equity.
- To conduct an interactive session in which the students will be taught to lead a balanced life style and train the students to speak independently and express their concerns to the speaker. Suggestions given will be considered for future implementation in the Institution.
- To conduct Women Education and Employment program as our Institute give more importance to Women Education and Employment.
- To conduct the gender awareness programme annually to seed the thoughts of equality in the students mind.
- To organize multiple counselling sessions for the girls children about their safety and security and for the wellbeing of the Girls in the campus.
- To organize Seminars to teach the awareness of sexual harassment in the workplace.
