Very good

Every subject project assignment can be given to gain practical knowledge
Starting from first year aptitude classes are conducted
Every semester inter department events can be organized to project our talent

.

Nil

1.Every subject project assignments can be given to gain practical knowledge
2.Starting from first year classes can be conducted
3.Every semester into department event can be organized to project our talent

good

Excellent

1.every subject project assignment can be given to gain practical knowledge .
2.starting from first your optical classes can be conducted .
3.every semester interdependent events crabe organized to project or talent.

A) Student must be given an opportunity towards intership program
B)Students can be motivated to start new venture in the institute to showcase their talents
C) Student can be given an option to organize events on the own ever

Very well

No

1.Every subject project assignments can be given to gain practical knowledge
2.Starting from first year aptitude classes can be conducted
3. Every semester inter deportment events can be organized to project or talent

Nothing to say

Students must be given an opportunity to undergo internship programs for a stipulated time period to get practical knowledge

Assistance can be given to students to showcase their talents either by setting up stalls/ventures in campus

Placement training & language enhancement classes can be organized from 1st semester

a) starting from SEM I -placement training program can be organized

b) students can be given an option to get practical exposure through internship training program

c) every sim interdepartmental activities can be organized to expose their talents

Every subject project assignment can be given to gain practical knowledge

1. every subject project assignment can be given to gain practical knowledge

2. starting from 1st year aptitude classes can be conducted

3. Every semester into department events can be organized our talents

Not bad

a) Students must be given an opportunity to undergo internship training program for a stimulated time period to get practical knowledge.

b) Assistance can be given to students to show case that talent either by sitting up skills/ventures in campus.

c) Placement training& language enhancement classes can be organized from I semester

Nice

Good teaching

Nothing

Smart class

Practical knowledge can be gained through internship activities if it is mandatory in curriculum

Assistance can be provided to those students who are interested to start their ventures in campus

Various club activities I can be organized frequency to enhance these knowledge in all streams realities to degree

1. Project work can be included in curriculum

2. students must be given a chance to expose their talents by setting up stalls ed activities frequently

3. every semester interdepartmental activities can be organised to showcase their skills

1 Internship training can be included in curriculum

2 Institute can organise inter departmental activities every semester

3 Entrepreneur department activities can be prompted for the benefit of the students who are planning to start their own ventures

Gud

A, Starting From Sem 1st - Placement Program Can Be Organized

B, student's can Be Given an option to get Practical Experience Thought Intership Draining Program

C, Every Sem Interdepartmental activities Can Be Organized To Expose Their Their Talent

1. every subject project assignments can be given to gain practical knowledge 2. starting from first year aptitude classes can be conducted 3. every semmester inter department events can be organised to project our talent

Everything is good

Good teaching
