AND
PROGRESSION**

CRITERION V: STUDENT SUPPORT AND PROGRESSION

The primary objective of a learning institution is to provide a conducive learning environment to the students as they form its backbone. The University has been providing necessary support services in the form of curricular, co-curricular and extracurricular support, financial support, personality development, career growth support and moral support to its students to achieve the objectives. All these help the students in gaining a highly useful learning experience and make their stay in the University campus, a pleasant and memorable one. As a sound mind needs a sound body, the institution takes all efforts to keep the learners physically fit by providing adequate playing fields and qualified physical directors to coach them in various sports and games. A number of activities are carried out with the objective of incubating social awareness and social responsibility to mould the youth as proud citizens of our nation.

5.1 Student mentoring and support.

5.1.1 Does the University have a system for student support and mentoring? If yes, what are its structural and functional characteristics?

Yes, the University has a system for student support and mentoring. The university ensures that the teaching learning environment for the students is provided with committed teaching faculty and fully developed laboratories. The admission cell helps the students who have joined the university with the necessary support such as getting educational loans from banks and from various charitable trusts. The University also gives fee concession for the meritorious students.

Efforts have been taken to start various professional bodies for students to become successful professionals. Students develop self-confidence by undergoing training in personality development, communication and soft skills in the final year, which also helps to improve placements.

The university conducts periodical review meeting for the Ph.D. scholars to monitor the quality of the research. M.Phil. Scholars are encouraged to publish their findings.

The feedback mechanism helps the university in framing the syllabus. The University also provides services like online certificate authentication.

Student's counselors and class advisors regularly mentor the students. Dean (Students) interacts with the students regularly and counsels them on issues if any.

5.1.2 Apart from classroom interaction, what are the provisions available for academic mentoring?

Academic mentoring is provided to students apart from class room interaction. They are given extra coaching by providing tutorials and assignments. Special classes for needy students are arranged. The students are

provided training to participate and present papers in various academic forums. They are also encouraged to organize symposia. The students take special interest in organizing and conducting guest lectures and in organizing the Industrial visits and attending Internships and inplant training.

Mentoring is regularly given by student's counselor and class advisors. On the advice of counselors, medical officer may also provide necessary counseling.

5.1.3 Does the University have any personal enhancement and development schemes such as career counseling, soft skill development, career-path-identification, and orientation to well-being for its students? Give details of such schemes.

Placement Cell

The Placement Cell organizes various on campus and off campus interviews for the students. The Placement cell also conducts training in soft skills, communication skills and analytical skills for the final year students. Counseling programmes are also done for the junior students. The cell along with the student and the faculty placement co-ordinators help the students to get employed. Academicians interact with students on career counseling including employment and higher studies.

Soft Skill Development

Special programmes are organized for developing soft skills. Training on Personality Development is provided to the students. Soft skill training programmes are organized with the help of external agencies. Training programme by SMART is arranged for final year students and Live Life programme is conducted by psychologists.

Orientation Programme

Orientation Programmes for the freshers at UG level are conducted by the University to acquaint them with higher education, University system, syllabus content, exam pattern, evaluation etc. The faculty is involved in the conduct of orientation programmes. A quick revision by the faculty in Mathematics, Physics, English, and Chemistry is also arranged.

5.1.4 Does the University provide assistance to students for obtaining educational loans from banks and other financial institutions?

Yes, the University helps the students to get educational loans from nationalized banks and from various charitable trusts. Bank managers are invited to address the students to make familiar with the procedures of getting loans. The University departments also advise the students to make use of

such provisions. The University gives fee concession for the meritorious students.

5.1.5 Does the University publish its updated prospectus and handbook annually? If yes, what are the main issues / activities / information included / provided to students through these documents? Is there a provision for online access?

Yes, the University provides the updated prospectus to the students along with applications for admission. Details on programmes offered in the departments, facilities available, areas of research, fee concession for meritorious students, hostels, and library information are included in the prospectus. The University also provides the academic calendar to the students and the faculty. The electronic version of prospectus is available in the University web site.

5.1.6 Specify the type and number of University scholarships/freeships given to the students during the last four years. Was financial aid given to them on time? Give details (in a tabular form) for the following categories: UG/PG/M.Phil./Ph.D./Diploma/others (please specify).

Financial support

The University provides financial support to students in the form of fee concession to the meritorious students. The St. Peter's University Free Education Scheme was introduced in 2010 which provides complete fee waiver for students based on merit in each of the UG programmes in the University departments. The details of fee concession availed by the students are given in Table 5.1.

5.1.7 What percentage of students receive financial assistance from state government, central government and other national agencies (Kishore Vaigyanik Protsahan Yojana (KVPY), SN Bose Fellow, etc.)?

State and Central Governments have not extended scholarships to the students. Only minority students get scholarship and that too very few students get.

5.1.8 Does the University have an International Student Cell to attract foreign students and cater to their needs?

The University is planning to create International Students Cell to attract foreign students.

5.1.9 What types of support services are available for

- Overseas students
- Physically challenged / differently-abled students
- SC/ST, OBC and economically weaker sections
- Students participating in various competitions/conferences in India and abroad
- Health centre, health insurance etc.
- Skill development (spoken English, computer literacy etc.)

- **Performance enhancement for slow learners**
- **Exposure of students to other institutions of higher learning/corporate/business houses, etc.**
- **Publication of student magazines**

Overseas Students

The University takes steps to create an academically conducive and intellectual ambience in its campus to attract students from abroad. However, students from foreign countries are yet to join the institution.

Physically challenged

All the blocks in the University are provided with a ramp to assist the differently-abled students. The University provides all possible assistance for them to get scholarships and bank loans for their educational assistance.

SC/ST/OBC and economically weaker sections

Improvement classes are conducted. The University Free Education Scheme was introduced in 2010 to foster the scheme of fee concession for students based on merit in the UG programmes in the University.

Students participating in various competitions/conferences in India and abroad

Students are usually encouraged to participate in the national and international events/seminars/conferences. Travel and On duty support is provided to attend competitions and conferences in India such as BAJA, SAE, AIRBUS competitions etc. Students are also encouraged to approach Government funding agencies to get travel assistance.

Health Centre and Health Insurance

All the students studying in the University are covered by health and accident insurance. The premium for this insurance coverage for all the students is borne by the University. Well-equipped health centre with round the clock ambulance service is available in the campus. Special lectures are arranged for first aid etc.

Skill Development

The University organizes training for communication, soft skills and analytical skill development for final year students. The faculty members also assist the students in promoting their communication skills by making the students present topics in classes on various subjects. The language lab also helps the students to improve their English.

Slow Learners

All the departments conducts special classes, assignments for slow learners for better performance in academics and with an effort to make them employable. Periodic counseling is also given.

Exposure of students to other institutions of higher learning/ corporates/business houses, etc.

Industrial visits are organized. Internship and Inplant training to business houses are encouraged as self-study course in most of the departments. Students visit various institutions of higher learning, industrial establishments, corporate and business houses and NGO organizations for industrial visits and project work.

Publication of Student Magazines

A magazine is also published annually to highlight the contributions by the students. These magazines give avenue to their creative writing and research articles.

5.1.10 Does the University provide guidance and/or conduct coaching classes for students appearing for Civil Services, Defense Services, NET/SET and any other competitive examinations? If yes, what is the outcome?

Yes, the University provides guidance to students interested in appearing for Civil services and other competitive examinations. However, the University is yet to start providing coaching.

5.1.11 Mention the policies of the University for enhancing student participation in sports and extracurricular activities through strategies / schemes such as

- **additional academic support and academic flexibility in examinations**
- **special dietary requirements, sports uniform and materials**

Students of the University participate in sports competitions annually. The NSS Unit of the University organizes regular and special camps related to health and hygiene, literacy, environment, personality development etc. These camps are usually held in the university campus, and in the nearby villages. The Physical Education Department conducts sports events regularly for students at the University. The department also facilitates participation by students in cricket, throw ball, basketball and volley ball events.

The NSS unit organizes camps. Youth Red Cross organizes health and social awareness programmes. Flexible academic policy in time table is adopted for students participating in sports and games. Special classes are conducted for sports students if necessary.

5.1.12 Does the University have an institutionalized mechanism for students' placement? What are the services provided to help students identify job opportunities, prepare themselves for interview, and develop entrepreneurship skills?

The Placement Cell functions as nodal agency between the University departments and the industry to provide employment opportunities for students through campus interviews. All final year classes have a student coordinator and placement coordinator to assist the students in placement activity along with placement cell. Students also prepare their resume which is sent to various companies. Both on campus and off campus placement drives are organized by the Placement Cell. The university has an Entrepreneurship development cell and a Technology Business Incubator which help the students develop their entrepreneurship skills.

5.1.13 Give the number of students selected during campus interviews by different employers (list the employers and the number of companies who visited the campus during the last four years).

The University has organized campus recruitment drives for the benefit of 1020 undergraduate students. Totally 773 Students have been selected. The placement details are given in Table 5.2.

5.1.14 Does the University have a registered Alumni Association? If yes, what are its activities and contributions to the development of the University?

Yes, St. Peter's University has a registered Alumni Association. It was formed in 2010. The aim of this association is to provide a platform for the alumni of the St. Peter's University to meet and to contribute towards the development of the alma mater and its students. Alumni give feedback on curricular aspects, placement and innovation. The departments of the University also invite alumni holding various positions in public and private sectors to address the students.

5.1.15 Does the University have a student grievance redressal cell? Give details of the nature of grievances reported. How were they redressed?

Yes. The student's grievance redress cell is actively engaged in redressing the grievances of students. The members of the cell meet regularly to redress grievances if any. Grievances regarding non-receipt of Mark Statement, Provisional Certificate, Degree Certificate, Genuineness Certificate, Course Completion Certificate, Revaluation results are redressed in the COE office. The infra structural maintenance is taken care of by the Estate Officer.

5.1.16 Does the University promote a gender-sensitive environment by (i) conducting gender related programmes (ii) establishing a cell and mechanism to deal with issues related to sexual harassment? Give details.

Yes, the university promotes gender-sensitive environment. The University strictly follows the Government norms to protect women from harassment in the campus. Any complaint on harassment (or) sexual abuse of misconduct is seriously viewed and punishment will be given based on the reports of the Anti sexual harassment cell.

A lecture on "Health Issues for Women" was delivered by Dr. Brindha Karlo, Gynecologist to discuss the health related issues of the girl students. The institute gives prime importance to women's welfare, be it a student,

menial worker, administrative staff or a faculty, the centre takes utmost care to solve the grievance placed before it.

Several programmes are organized keeping in mind the holistic well-being of its women folk. International women's day is celebrated every year. The list of various speakers in the programmes organized are listed in Table 5.3.

5.1.17 Is there an anti-ragging committee? How many instances, if any, have been reported during the last four years and what action has been taken in these cases?

Yes, the anti ragging committee comprises faculty and student representatives to regularly monitor and sensitize students against ragging and any other sort of abuse. Anti ragging circulars and posters are displayed on the notice boards. Besides this, at the beginning of every academic year, all the

students submit the anti-ragging affidavit online as per the guidelines framed by the AMAN Movement. The University has so far not faced any severe problem in this regard. Details of the Anti-ragging committee are displayed on the notice board and website.

5.1.18 How does the University elicit the cooperation of all its stakeholders to ensure the overall development of its students?

An Induction programme is conducted for all fresher's with their parents during which the students and parents are informed of the rules and regulations and the campus facilities. Monthly class committee meetings are held regularly to discuss the academic issues with the students and faculty of the class concerned. Meetings of the parents and students along with the faculty is organized as and when necessary. Student issues are also addressed in the department meetings and in the Hostels. Students' performance in examinations is constantly reviewed along with the attendance and the parents are informed through SMS. Students are encouraged by conducting motivational lectures by eminent scholars. Feedback from the Alumni Association is also taken during the alumni meetings.

5.1.19 How does the University ensure the participation of women students in intra and inter-institutional sports competitions and cultural activities? Provide details of sports and cultural activities where such efforts were made.

The Women students of the University are encouraged to actively participate in the inter and intra institutional sports activities. Women students participate in large number in the cultural programmes organized during the University day, hostel day and women's day celebration. Many women students have won prizes for their excellent performance in the competitions in both our university and other colleges and universities.

5.3.3 Does the University conduct special drives/campaigns for students to promote heritage consciousness?

The students of Architecture department are being trained to promote heritage consciousness. Students visit different places of interest from heritage point of view and submit reports. Students participated in sand sculpture competition conducted by Corporation of Chennai in Marina Beach and won a prize in 2013-14.

5.3.4 How does the University involve and encourage its students to publish materials like catalogues, wall magazines, college magazine, and other material? List the major publications/materials brought out by the students during the last four academic sessions.

The students are encouraged to publish posters in various symposia and conferences. Students take active part in the publication of the magazine. They are also on the editorial board of the University magazine. They are also invited to contribute articles in newsletters.

5.3.5. Does the University have a Student Council or any other similar body? Give details on its constitution, activities and funding.

No. The university does not have a student council. However, the Placement Cell, Anti Ragging Committee, Anti Sexual Harassment Cell and Students Grievance Redress cell are consistently helping the students to make their representations so that the issues are sorted out. Further Student representatives are empowered to carry grievances to higher authorities.

5.3.6 Give details of various academic and administrative bodies that have student representatives on them. Also, provide details of their activities.

Students' views and comments are given importance in curriculum revision. Student representation in Board of studies is in the form of Alumni. A number of boys and girls are given responsibility and they are members in Grievance Redress cell, Anti-ragging Committee, Anti-Sexual Harassment Cell, Gender Sensitization Committee, Sports, Cultural committees, Placement co-ordinators and Alumni Association. Student representatives are assigned important tasks during the major programmes organized by the university such as Convocation, University day, National and International conferences, workshops etc. Symposia are organized by the students regularly. Examination patterns are reviewed carefully by the departments after getting feedback from students, Hostels (Men & Women) are run by students committees. They are also on the editorial board members in the magazine committee. Every department has student professional associations in which the students are members.
